NEW PRODUCTS

Ostrowski-Design

This pendant is from the Mexican Mosaic collection by Polish Jewellery brand Ostrowski-Design, which launched in the UK this year. The sterling silver pendant features an aquamarine stone by Swarovski Elements.
RRP: £95/01625 428116

Jersey Pearl

Pearl jewellery brand Jersey Pearl has introduced its Akoya and Diamond collection. The range features this ring made from 9ct white gold, set with a white 6.5-7mm Akoya pearl, and diamonds.
RRP: £330/020 3176 0945

Goldmajor

Goldmajor has updated its Selene range with these earrings. They have an Egyptian-inspired design, achieved through the textural combination of semi-precious moonstone and amber. The range also includes pendants.
Trade price: £22/020 8579 0588

World pieces

From Mexico to Egypt, inspiration is worldwide for this month's launches

Links of London

This bracelet is part of Links of London's Infinity collection, which launched in October. The range was inspired by the figure-of-eight infinity sign. The motif runs throughout the bracelet's inter-woven, sterling silver design.
RRP: £195/020 3463 4061

Andrew Geoghegan

Andrew Geoghegan has entered the men's jewellery market with a cufflinks range. They are made in palladium with brilliant-cut diamonds and two 10mm spheres of meteorite. Also available in 18ct white gold and in silver.

Police

This timepiece is a recent addition to Police's watch collection. The Viper men's watch has chronograph functions, including a dual-time sub-dial and date feature. It comes with a round case, white dial and leather strap in brown or black.
RRP: £225/0121 436 1200
